Skills Training Workshops

Are the one-on-one interactions in your organization causing you strife and thwarting productivity?

**Do you want to
INSPIRE CHANGE?**

That IS possible!

Most people *want* to get along and function productively as a team; they just don't know *how*.

The “Inspiring Change” series teaches your people the interpersonal skills they need to build a thriving culture that achieves outstanding business results.

Introducing the Inspiring Change Series

Inspiring Resolve

Managing conflict in healthy ways eliminates the headache of strained relationships and work-arounds.
Skill: Learn to resolve conflict constructively

Inspiring Courage

The courage to speak up creates environments where issues can't grow and fester.
Skill: Learn to skillfully approach crucial conversations

Inspiring Truth

Truth untwists the false assumptions and stinkin' thinkin' that cost us time, money, relationships, and sleep.
Skill: Learn to identify and remove distortions

Inspiring Trust

When trust is consistently earned, suspicion stops muddying the waters.
Skill: Learn to make and get real commitments

Inspiring Respect

Respect as a foundation replaces misunderstanding and manipulation with clarity and inspiration.
Skill: Learn to listen to each other well
